

Tool listing by lender

Pre-conditions :

- The **Member** must be verified (verifiedStatus = true) and have a minimum trust score to be allowed to list items.
 - The **Tool** must be in a "Good" condition and physically available with the lender.
- Essential **ToolDocuments** must be ready, including a PDF manual and a safety video URL.

Post-conditions :

The **Tool** is successfully linked to the member's account and assigned a category ID.

The **Tool** status is set to "Available," making it visible for other users to rent.

The **AvailabilityCalendar** is activated, blocking out the specified dates for potential renters.
